Veronica Cheung

veronnron@gmail.com

Group type: Women

Meets Fridays at 7 PM in Mountain View

Hi, I'm Veronica! In 2010, I joined my first small group and for first time, saw Biblical fellowship lived out as girls rejoiced together, cried together, admonished, encouraged and loved one another. Through small group, I hope to provide a similar space for ladies as we seek to pursue "purposeful community" here at City Light!

The goal for our group this year is to grow as both lovers and doers of God's Word. We'll spend the first half of the year putting the Bible study series into practice and the second half on sermon application. Throughout the year, we'll also share life through things like prayer and accountability. Whether or not you're interested in my small group, I'd love to get to know you, so please reach out or come find me on a Sunday!

Kyle DeGuzman & Elliot Kang

Group type: Men

Meets Mondays at 7:30 PM in West San Jose

We are Kyle and Elliot and if you are a man interested in getting plugged into the life of our church in deeper fellowship with other men, then we'd encourage you to consider our group. As a small group, we will be aiming to not only dive deep into our study of theology through the Bible, but also emphasizing how a deep and robust understanding of God and His character leads to a life of sacrificial and loving worship of Him. If you're interested in checking out our group, please send us an email!

John & Terri Hannigan

johnhannigan2@outlook.com

Group type: Young marrieds

Meets Thursday nights in South San Jose

Hi, we're John and Terri Hannigan and we are excited to launch a small group for married and almost married couples. As a group, we will deepen our understanding of God's intention for marriage as revealed in the Bible. Whether you are just starting in marriage or have been building a home for a while, we know that, "unless the Lord builds the house, those who build it, labor in vain" (Ps. 127:1). It is our heart's desire to see couples mature in the Lord, trusting in Him to grow in selflessness, and we hope you will join us as we learn and grow together. We meet at our home on Thursdays at 7:00 pm.

Rick Maples

rmaples12@gmail.com

Group type: Men

Meets Tuesdays at 7 PM in Willow Glen

My name is Rick and I am an elder at City Light. This year we will be studying the life of David, who had a lot of spiritual ups and downs. He was a warrior and a poet, was sold out for God while being quite adept at sinning. He was quick to ask forgiveness but there were consequences for his sin. All the while being a man after God's own heart. Join us to see how we can learn to avoid David's pitfalls and be men after God's own heart.

Jonathan Yang

Group type: Men and women

Meets Thursday evenings on Zoom

Hi my name is Jonathan Yang and I'm excited to lead this small group which will meet over zoom. Why zoom? I believe small groups are not only important but a quintessential part of the Christian life and a healthy church. This zoom small group is intended to give everyone the opportunity to be part of one - regardless if you have health limitations, geographic limitations, or work limitations, this small group is available to you. The focus this year will be on the Gospel and what it means for our lives. We will be looking at various scriptures and books to enrich our souls and treasure Jesus Christ together.

Hey I'm Thomas and I am one of the small group leaders for our college ministry, Campus Light! Our small group will be to help deepen relationships with each other and to help each other in Christlikeness through the study of his word. We will be learning why we study the bible, how we study the bible, and then we will be studying the bible together. In conjunction to the lessons in large group, we're going to study through the book of Ephesians! I look forward to getting to living life together and growing in Christlikeness through the study of his word!
